Meeting Highlights:

A meeting was held on June 14, 2014 at 11am at the Buck's Restaurant, Williamstown. Thanks to all those who attended!!!

We had a member of the DEC join Steve and others on a ride June 7th through about 32 miles of our trail system. This member is in charge of all the state land outside of the Adirondack park. He was taken on some of our good trails, rougher trails, places where there was water and mud and showed him some of the work we do on our trails. He was very impressed with what we do to maintain our trails and the areas around them, as well as not damaging any wildlife areas. He knows a mud hole is a mud hole and not something that we damage by riding or working on the trails. This should hopefully help in getting some trails on state land.

The 50/50 raffle was won by Burt Cronk, with a winnings of \$62.50

Clothing is now being done by Lynn Sorbello. She has some flag logo sweatshirts she is selling for \$3ea. All different sizes and a couple different colors. These don't have our logo on them. There are lots of different items with our logo on them. If you want something specific, contact her at (315) 243-9748, she would be more than happy to assist you. She will be at meetings and functions as well. Thanks Lynn for taking on this task for the club, your help is much appreciated!

We had a visit from Brian, one of our land owners. He has some horses on his property that you can see from the trail. He doesn't mind if we stop to look at the horses, but he asks that we respect them, not scare them, make a lot of noise around them, etc. There was one group of riders that were disturbing them by yelling and hollering and racing their 4 wheelers around by the fence. This is not acceptable, if you are caught doing anything around this property, you will be asked to leave, reported to a club officer and quite possibly have your membership revoked. This area of the trail will soon, if not already, have a posted speed limit of 10mph. We ask that you adhere to this. Thank you for your cooperation!

Please be sure at all future meetings that you sign in when you arrive. This gives us a better idea of how many club members attend the meetings. All are welcome to come!

You can get information anytime by visiting our website www.oswegocountyatv.org, or on facebook at www.facebook.com/oswegocountyatvclub.

Landowners, we would like to invite you to our annual **Appreciation Dinner** in your honor. You will enjoy: steak or chicken, potatoes, salads, soda and coffee, at no charge to you! This is our way of saying Thank You!, for allowing us to use your land, so we can all enjoy riding atvs. If it wasn't for all of you we wouldn't be able to enjoy such beautiful areas to ride on. If you are out on the trails this riding season and you see a landowner, stop and thank them for the use of their land. They will appreciate it! Riding is a privilege, not a right!

The atv club has a trail patrol set up and headed by Mike Ortman. There will be check points set up throughout the trail system. The members of the patrol will have green florescent vests and marked atvs. If you happen to come upon a check point, be sure to slow, as they will be checking for club registration stickers. If you don't have your sticker on your machine, they will stop you and you will be questioned. If you have purchased a one day pass, you will need to make sure you have your receipt with you the entire time you are on the trails. No one is allowed to ride the trails unless they are a member of the club. If you have any questions give Mike a call, he will be glad to assist you.

Help Wanted:

Bath House – There will be little work done on this project this year. The estimate for the work was more than the club could handle financially this year. There may be a few fundraisers for 2015 to help raise the needed funds to get this done.

Club House/Grounds – Help is still needed to get the club house/grounds ready for upcoming events.
Please Volunteer when you can!
