**July 2016**

**Meeting Highlights & Other News:**

A meeting was held on June 18, 2016 at 11am at the Club House Pavilion, Altmar. There were about 70 members present. Thanks to all those who attended! Welcome to any new members who have joined us and welcome back to all returning members.

A huge thank you was given to Bert Cronk for all his hard work over the past 7yrs to get our campground up and running. As a special thank you, Bert was given a permanent site at the campground. If it wasn't for Bert, we wouldn't have the great campground we now have. THANKS A TON BERT!!!! Enjoy your spot at the campground.

Eddie's Place, Pulaski is now closed.

Kevin's Trail is **CLOSED**, please do not use this trail any longer. The club is very saddened that nothing could be worked out with the new landowners. Very unfortunate!!!

50/50 - \$103.50, won by Jim Cronk, Jim donated \$100 back to the club. Thank you Jim!!!!

The Altmar Vol. Fire Dept. had 141 registrations for their annual poker run. Thank you to all those who came and participated, it is greatly appreciated! They are looking forward to doing it again in 2017.

**The Obstacle Course and Mud Bog was a huge success. Everyone had a great time. Many thanks to Brad and everyone that helped put on such an awesome event for the club, start to finish. There was lots of dust and mud flying everywhere.**

**A note from our Secretary Leslie:**

**Do you ever wonder why some people hold up numbers or a fist when they pass you on the trail? It is a way to communicate how many people are in your group. For example, there are 5 people in your group and you meet a group of 3 coming from the other direction. The first person in your group would hold up 4 fingers, meaning there are 4 people after them. The next person in the group would hold up 3 fingers, and so on until the last person in the group hold up a fist or a 0, meaning they are the last person in the group. The first person in the other group would hold up a 2, the next a 1, and the last a fist or 0. That way everyone in each group knows how many people to watch for. If there is a single rider, they would hold up a fist or 0, so the other person will know there are no others behind them. And so on. If there are any questions, please don't hesitate to ask.**

**Also, follow hand signals for turning, stopping, slowing, etc. It lets others know what you are doing.**

**Always ride with your lights on! This makes it easier for everyone, motorists included, to see you.**

**Please ride safely!!!**

**Brian Parker donated 2 loads of gravel to the club. Thank you Brian!!! It will be put to good use.**

**Available for purchase are license plates that read "Proud Member of The Oswego County ATV Club"**

**This will be a mini fundraiser, are blue and white and the cost will be \$10ea., can be displayed on your machines, does not replace membership sticker.**

**If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. Do Not go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, facebook or call a Trail Boss if you have any questions about a certain trail.**

**The ATV club has a trail patrol set up and headed by Brad Hilton, Mike Ortman and Wayne Slate. There will be check points set up throughout the trail system. The members of the patrol will have florescent vests and marked ATVs. If you happen to come upon a check point, be sure to slow, as they will be checking for club registration stickers. If you don't have your sticker on your machine, they will stop you and you will be questioned. No one is allowed to ride the trails unless they are a member of the club. If you have any questions give Brad or Mike a call, they will be happy to assist you.**

**The trail patrol has caught several people on the trails without memberships. Also, some that were in areas they shouldn't be. Make sure you have a membership and you stay on the trails. No excuses!**
