**March/April 2017**

**Meeting Highlights & Other News:**

**It's our 15<sup>th</sup> year of fun, friends, events, new trails, new adventures, riding and hard work!**  
Trails are tentatively opening April 15<sup>th</sup>. This will happen **ONLY** if the trails are in good condition and there are **NO** hazards. Please do not ride the trails until it is announced that they are open.

The treasurers report is always available for any one to view, at any time. There is nothing kept secret. You can obtain a copy at each monthly meeting or directly from Claudia. Please contact her if you need a copy.

A meeting was held on Sept. 17, 2016 at 11am at Happy Valley Inn, Parish. There were about 65 members present. Thanks to all those who attended! Thanks to Chris & Randy for all the hospitality, for being a sponsor of the club and the great food! Thanks to everyone who rode to the meeting and back, it was a nice day & ride.

Our opening meeting, March 18, 2017, Redfield Vol. Fire Dept., was a great success! There was a huge turn out, 140+ members, potential members, club staff and sponsors. The spaghetti lunch had almost everyone stay and eat. Thanks a ton to the Redfield Vol. Fire Dept. for hosting our meeting and putting on a delicious lunch, as well as providing the coffee.

Helmets must be worn at all times, per state law and club rules. It doesn't matter what type of machine you are riding.

Cindy Harrington donated \$50 towards a speaker system. Thank you Cindy!

The club donated their half of the 50/50 to Art Drake, there is a benefit being held for Art, see flier below.

There will be a more extreme effort to control the riding of the trails during the off season. Several of our landowners have had problems with riders on their properties after the trails have closed and recently before they are open. We know and understand the want to ride when the weather is nice and the snow has melted. We want to ride just as bad as anyone, but we can't and the club will not tolerate riders on the trails when they are closed. Due to the issues we are having, the club is stepping up it's trail patrols this year. The trail patrol is looking for more volunteers to help in this effort.

Mike Ortman and Wayne Slate will be going to Maryland, May 4-7<sup>th</sup> to become certified safety course instructors. Once they have completed this course and become certified, there will be safety courses held, free to children, nominal fee for adults (to be determined). This is a great opportunity for the club. National Grid has donated \$1000 for this course, partly because we allowed them to use part of our trail to replace a power line, but mostly because they like the idea of us being able to hold safety courses. Other sponsors will be contributing as well. Names will be put in newsletter.

Watch for details about all our upcoming events. A few include atv raffle, obstacle course, rides, new trails, etc. It's going to be a good season!

You can get information anytime by visiting our website [www.oswegocountyatv.org](http://www.oswegocountyatv.org) or on facebook at [www.facebook.com/oswegocountyatvclub](http://www.facebook.com/oswegocountyatvclub).

### Trail Updates:

### Trails open April 15<sup>th</sup>, weather & conditions permitting

The club is working on trails to Amboy and Osceola. There are NO trails there yet.

If you have signed up to do trail work, please call the trail boss for whatever day of the week you are interested in. It is up to you to contact them. They need all the help they can get.

There is a chalk board hanging in the pavilion, please check it for work detail locations. It will list what trails are being worked on that day.

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. Do Not go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, Facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do!

*“CLUB RULES AND CODE OF ETHICS”*

- 1) *Current club stickers are to be placed on the front left side of all machines.*
- 2) *I will slow down, use caution and be courteous when I encounter other trail users. Our trails are designed for riding on, not racing on.*
- 3) *I will ride only on designated trails and areas and will not bypass our bridges and stream crossings by going up and down streams.*
- 4) *I will respect and preserve the public and private property that I ride on. I will not go around wet holes and make them bigger as it causes more work and expense. If you do not want your machine to get muddy then it is best to keep it in the garage.*
- 5) *I will make sure my equipment meets NYS safety, insurance, registration and noise limitations.*
- 6) *I will not endanger myself and other trail users by riding beyond my ability or while impaired by drugs or alcohol. It is my duty as a club member to report any other rider that is not obeying the club rules and state laws.*
- 7) *I will not construct jumps or obstacles anywhere on the trails or riding areas. It is my duty to help keep our trails clean and safe. If you see debris on our trail, such as cans, bottles, cigarette packs, etc., pick them up. Report any unsafe conditions to the Board or line officers, such as beaver dams, flooding, wash outs, fallen trees, etc.*
- 8) *Club memberships may be terminated at any time after a meeting with the complaint committee. Just cause for termination includes, but is not limited to, failure to abide by our club rules and code of ethics.*
- 9) *I will try to make work details or work at fund raisers.*
- 10) *I will obey the club speed limits: 15 mph in the Village of Altmar; 25 mph on all other black top roads that have been opened to us.*

We  
Need YOU...

Meeting being held to discuss, April 15, after monthly meeting, join in if you are interested in helping out! The ATV club has a trail patrol set up and headed by Brad Hilton, Mike Ortman and Wayne Slate. There will be check points set up throughout the trail system. The members of the patrol will have florescent vests and marked ATVs. If you happen to come upon a check point, be sure to slow, as they will be checking for club registration stickers. If you don't have your sticker on your machine, they will stop you and you will be questioned. No one is allowed to ride the trails unless they are a member of the club. If you have any questions give Brad or Mike a call, they will be happy to assist you.

The trail patrol has caught several people on the trails without memberships. Also, some that were in areas they shouldn't be. Make sure you have a membership and you stay on the trails. No excuses!

Stay on the trails or stay home!

ATV SAFETY

## Dots to Dots
