June 2017

Meeting Highlights & Other News:

It's our 15th year of fun, friends, events, new trails, new adventures, riding and hard work!

The treasurers report is always available for any one to view, at any time. There is nothing kept secret. You can obtain a copy at each monthly meeting or directly from Claudia. Please contact her if you need a copy.

A meeting was held on May 20th at 11am at Gristmill Restaurant, Parish. There were about 60 members present. Thanks to all those who attended! Thanks to the staff for doing a great job of squeezing us all in and the service for all those who ordered. I'm sure we will be back again, more if we get a trail to here.

Rick Endsley who is a prominent member and previous member of the Altmar Fire Dept, recently had surgery on his leg. Unfortunately, Rick lost half of his leg due to complications. He is currently in a nursing home for rehab, but will be unable to return to his home, unless he can get a proper wheelchair ramp installed. It was voted on, all in favor, none apposed to have the club help him with this. It is our hope that the fire dept helps out with this as well. If not, the club will take care of it. Let's get Rick home! If you can help in any way, please contact Steve.

Helmets must be worn at all times, per state law and club rules. It doesn't matter what type of machine you are riding.

Be sure when filling out registration form, it is filled out completely, signed and proper fee is paid. Be sure to check whether or not you would like to receive a newsletter.

50/50 winner – Brian Parker, \$135, donated to Rick Endsley for a wheelchair ramp Thanks Brian!!!

\$500 Reward!!!

The club is offering a reward for any information regarding the theft of a tree stand and equipment from the trail going to Orwell. A landowner had these things stolen, currently he has left the trail open, but may consider closing it in the future. If you have these items, return them or if you know who has these items or information about them, please contact Steve. These types of actions will not be tolerated, if the person(s) are a member, their membership will be revoked permanently.

ATV Safety Course News

Wayne Slate is now a Certified Instructor and Mike Ortman is a Certified Assistant, congrats guys, thanks for all the hard work you put in to complete this. There will be safety courses held, free to club members first, nominal fee for non-members (to be determined), based on availability. This is a great opportunity for the club. Safety course will be held on the clubs property on the corner of Rte 13 & Rte 22 in Altmar.

Thank you to the following safety course sponsors:

Brian Parker is donating safety cones for use on the safety course. Thanks Brian for your continued support!
There were several more sponsors, will get names soon.

There will be a chain link fence put up along the road at the safety course location. Each sponsor will have a sign put on the fence, thanking them for their sponsorship. If you would like to sponsor this safety course, please contact Steve.

You can get information anytime by visiting our website www.oswegocountyatv.org or on Facebook at www.facebook.com/oswegocountyatvclub.

Trail Updates:

The following trails are currently closed: Yamaha (unknown time frame) and Barclay (June 1) Trails
The club is working on trails to Amboy and the Gristmill Restaurant. There are **NO** trails there yet.

If you have signed up to do trail work, please call the trail boss for whatever day of the week you are interested in. It is up to you to contact them. They need all the help they can get.

There is a chalk board hanging in the pavilion, please check it for work detail locations. It will list what trails are being worked on that day.

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. **Do Not** go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We

have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, Facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do!

The ATV club has a trail patrol set up and headed by Brad Hilton, Mike Ortman and Wayne Slate. There will be check points set up throughout the trail system. The members of the patrol will have florescent vests and marked ATVs. If you happen to come upon a check point, be sure to slow, as they will be checking for club registration stickers. If you don't have your sticker on your machine, they will stop you and you will be questioned. If you cannot prove you are a paid member, you will be asked to leave. Thank you too all the new members of the trail patrol, we appreciate your help in the effort to patrol our trails and keep everyone safe.

The trail patrol has caught several people on the trails without memberships. Also, some that were in areas they shouldn't be. Make sure you have a membership, you stay on the trails, purchase a map, so you always know where you are when out on the trails.
