July 2018

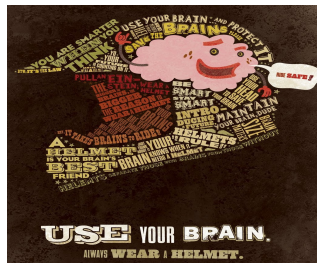

You Must Be An Oswego Co. ATV Club Member To Ride The Trails! No Exceptions!!

Helmet On!....Lights On!....Ride On!

Meeting Highlights & Other News:

June's meeting was held at Club House Pavilion. There were 40+ in attendance. Thank you to all new and past members who showed up.

Once again, we can't stress this enough, you **MUST** wear a helmet at all times while riding in/on any type of machine! Including any passengers. First and foremost, this is a club rule, if you get caught riding without a helmet, you will be asked to leave the trail. Also, this is a New York State Traffic Safety Law, you will get a ticket.

Memberships can be purchased online, at monthly meetings, the first (2) campers at the campground (Sue & Rich or Mike Ortman...if they are available) and from Becky (if she is available). If you buy your membership online, you CAN print a confirmation (receipt), this acts as your membership until you receive stickers and cards, be sure to carry it with you, if you purchase at a monthly meeting, campground or Becky, you will get a receipt and this will act as your membership as well, carry it with you. There are no sponsors selling memberships any longer.

Maps are available at all monthly meetings, campground (same campers as memberships), Altmar Union Station and Altmar Hotel. Maps are not mailed with memberships. Be sure you have a map so you always know where you are.

Speed limit signs are going to be posted at Altmar Union Station (unload, get maps, food and drinks). There are too many riders going to fast through the parking lot. **SLOW DOWN!**

50/50 – won by Lynda Beadle (again), \$42.50....congrats Lynda

If you would like to purchase any certain types of clothing, contact Lynda, she can give you pricing.

*The treasurers report is always available for any one to view, at any time. There is nothing kept secret. You can obtain a copy at each monthly meeting or directly from Claudia. Please contact her if you need a copy.

Trails close September 30th at 10pm

Kevin's Trail bridge has been welded, boards will be fixed and some work on the trail will be done

Signs have been posted for Co Rte 26 going to the Gristmill

More stop signs, speed limit signs, trail markers, etc will be put up. There will a speed limit posted at Altmar Union Station. Follow the speed limit or we could lose use of the parking area for unloading. No need to speed through there!

Put your helmet on! Club rule, NYS Traffic Safety Law

- **Hess Trail and the Railroad Bed will be marked with signs for a 10mph speed limit. This will be monitored.**

The following trails are currently closed: Yamaha (unknown time frame, at landowners request, sap business, safety concerns), Pavilion Rd Trail (closed at owners request, there was a lot of damage done in an area where riders should have not been) and Orwell Trail (from Stone Quarry Rd to Co Rte 2 (bridge is out). **STAY ON THE TRAILS!**

If you have signed up to do trail work, please call the trail boss for whatever day of the week you are interested in. It is up to you to contact them. They need all the help they can get.

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. Do Not go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, Facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do!

Our trail system welcomes machines 70" wide or less. If your machine is wider than this, you may not fit on our trails/bridges.

New maps are available, \$5 each, pick up at Altmar Union Station, Altmar Hotel or monthly meetings
Be sure to always carry a map so you know where you are and reduce your risk of riding somewhere you shouldn't be.

Trails close September 30th, 10pm, no exceptions!

There have been still quite a few riders on the trails without helmets! If you are a club member, you should be following the rules and this is you must wear a helmet, it does not matter what type of machine you are riding in or on, you will be asked to put one on or leave the trail. Follow the rules or go home. Passengers are required to wear a helmet too.

The club has set up a trail patrol to keep everyone safe, riding where they should be, following the rules and making sure whoever is riding is a club member. You must be a member to ride our trails, no exceptions. Membership is a privilege, not a right. The club carries insurance to protect our land owners, this is why you need to be a member, you are riding on their property, without them allowing us to use their property, we have no trails.

Good job to our Trail Patrol!

Always carry your membership card with you for the current year, current sticker is on your machine and visible to others as you pass. If you happen to lose membership card or a sticker, contact Becky for a new one.

Stay on the trails or stay home!

Campground Happenings:

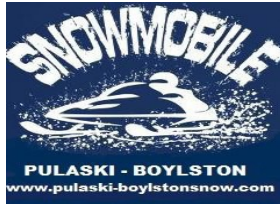

It looked a lot like Christmas around the campground, everyone decked the "sites" with decos of Christmas happiness. What a "site" to behold! There was trail patrol santa, surfing gnomes, music, wine and goodies, stockings hung on the shed with care, a Charlie Brown tree, pole dancing santa, cookies and milk, many lights and sooo much more. The jolly judges went to work to decide who would be the winners of all this Christmas jolliness. After many cookies and beverages the winners were:

1st – Leslie & John, oh so very festive indeed....

2nd – Duane & Charlene, with their Christmas tree so lovingly placed in the portable toilet

3rd – Sue & Rich, their reminder of warmer days with sunshine, palm trees and pink flamingos!

Campers will be scaring up some fun in September...details coming!
