June 2018

You Must Be An Oswego Co. ATV Club Member To Ride The Trails! No Exceptions!!

Helmet On....Lights On....Ride On!

Meeting Highlights & Other News:

May's meeting was held at Grist Mill Restaurant, Parish. There were 89+ in attendance. Thank you to all new members who showed up. Thanks to Dave Chapman & the Grist Mill for hosting us and providing the group with coffee!

Once again, we can't stress this enough, you MUST wear a helmet at all times while riding in/on any type of machine! Including any passengers. First and foremost, this is a club rule, if you get caught riding without a helmet, you will be asked to leave the trail. Also, this is a New York State Traffic Safety Law, you will get a ticket.

****There are a lot of places that still need a lot of work, are closed, blocked off, etc. Please use common sense when out riding, pay attention to your surroundings, stay on the trails, follow all signs, don't go around mud holes this makes them bigger and requires more work to fix, do not remove anything used to block a trail ie: orange fencing, ribbon, tape, logs, gates, etc., they are there for a reason...SAFETY!

**Volunteers and donations needed for a benefit taking place on July 7th, noon – 6:30pm, Kasoag Lake Inn, Williamstown
Let's help out one of our own..... BERT CRONK**

Bert was diagnosed with cancer and is currently undergoing treatments. He has a ways to go and this benefit will help him immensely. Bert is one of the founders of Oswego County ATV Club, worked tirelessly out on the trails, designed and implemented the campground that many stay at and enjoy every summer, helped out at functions, plus all the other stuff he had to take care of outside of club things, work, family, etc. Bert is part of all of our families, if you are in the club, you are family. Since family helps family, let's do what we can to help Bert! See flier below

Trail Updates:

Trails are open daily from dawn until 10pm

Trails close September 30th at 10pm

Nevermore Trail will be closed June 16th for Bike Race (will reopen later in the day)

*Trail speed limit is 25mph or less (where marked), use caution and common sense, especially on curves or where visibility is limited.

Not all riders like to go fast, they could be new to the trails, younger/older, riding with their families or just simply enjoying the scenery. Be patient and respectful.

Put your helmet on! Club rule, NYS Traffic Safety Law

- Hess Trail and the Railroad Bed will be marked with signs for a 10mph speed limit. This will be monitored.

The following trails are currently closed: Yamaha (unknown time frame, at landowners request, sap business, safety concerns), Pavilion Rd Trail (closed at owners request, there was a lot of damage done in an area where riders should have not been) and Orwell Trail (from Stone Quarry Rd to Co Rte 2 (bridge is out). **STAY ON THE TRAILS!**

If you have signed up to do trail work, please call the trail boss for whatever day of the week you are interested in. It is up to you to contact them. They need all the help they can get.

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. **Do Not** go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, Facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do!

There will be a whiteboard hung by the fuel tank on the side of the deer barn, this is where trail work will be posted. Check the board to see where work is being done for the day. It will list which trails.

Our trail system welcomes machines 70" wide or less. If your machine is wider than this, you may not fit on our trails/bridges.

New maps are available, \$5 each, pick up at Altmar Union Station, Altmar Hotel or monthly meetings. Be sure to always carry a map so you know where you are and reduce your risk of riding somewhere you shouldn't be.

Trails close September 30th, 10pm, no exceptions!

15 – machines/owners were stopped on the trails, of those 15 machines/owners, NONE were members...however.... ALL 15 machines/owners are now members!

Good job to our Trail Patrol!

Trail Patrol will be looking for helmets, if you are riding without a helmet, you will be asked to leave the trail, it doesn't matter what type of machine you are riding or riding in. Helmets are required to any passengers too.

Always carry your membership card with you for the current year, current sticker is on your machine and visible to others as you pass. If you happen to lose membership card or a sticker, contact Becky for a new one.
