APRIL 2019

You Must Be An Oswego Co. ATV Club Member To Ride The Trails! No Exceptions!!

Helmets On!...Lights On!...Ride On!

Meeting Highlights & Other News:

- *March's meeting opener was held at Pulaski-Boylston Snowmobile Club, there were 100+ in attendance. A roast pork lunch, with all the trimmings, was held after the meeting, thank you Brian and crew. Thank you to all who stayed to eat!
 - *Guest speakers present were Jackie Mahoney from Lewis Co. Trail Association, she discussed possible future connections to our trail system, dicounted fee for permits to ride trails in Lewis Co. Regular price is \$65, save \$20 on first permit with valid club membership, lewiscountyatv.org to register online. Also present was Vickie & Nick from Arise to talk about some of the services they provide and Nick expressed his overwhelming excitement to be a part of the upcoming ride/fishing day for special needs persons. Some information below
 - *April's meeting is voting time, all positions are open (president, vice president, secretary, treasurer, board members), must be a paid member to vote.
 - *The club will be raffling a four wheeler this year tickets are \$5 each, contact Mike to buy or sell. Drawing will be August 10th at the landowner/worker dinner, held at the clubhouse this year. Flyer below:
 - *Landowner/Worker Dinner is being held in August this year, this is to allow more of our landowners to attend the dinner. It will be held at the clubhouse. Details to follow
 - *Altmar Vol. Fire Dept. will be having their 13th Annual ATV Ride (9am), chicken bbq (noon till ?), 50/50 raffle & gun raffle
- 50/50 Raffle won by Jim Brancato...congrats Jim!
- Some items from last season, good reminders and answers to repeated questions:
- *Stay on the trails, leaving the trails means you are where you should not be
 - *Town & County Roads maximum speed limit = 25mph, not over, open to atv's and if posted otherwise, follow the limit
 - *Traffic Law requires a helmet, no matter the machine, must be DOT certified, expire 5yrs after manufacture date (club requires helmets)
 - *Always have a trail map, just because it looks like a trail, does not mean it is, follow your map
 - *Follow trail signs/markers, this will help keep you where you are supposed to be
 - *Must be registered in NY, have insurance and proof of both, NY recognizes out of state registrations, only if you are a resident of that state, otherwise NY will not recognize that registration, if another state doesn't require registration for ATVs, it is required that a NY registration is obtained to ride in NY (same with other states that require you to register your machine to ride in that state)
 - *70"+ or 1000lbs+ are not registerable in NY, registrations must match weight limit of machine, no stripping and reweighing to meet legal requirements, it is known what machines are registerable and what aren't
Just because your buddy says it or does it, doesn't make it so!
 - *The treasurers report is always available for any one to view, at any time. You can obtain a copy at each monthly meeting or directly from Claudia. Please contact her if you need a copy.
 - *Helmets must be worn at all times, per traffic law and club rules. It doesn't matter what type of machine you are riding!

Memberships:

*You can now register online through the website, payment is through Paypal. Your receipt is proof of payment and can be used as proof of membership until your stickers and cards are received. Do to number of memberships received at a time, please allow time for processing and mailing. This is a large task, primarily handled only by Becky, it takes time to process them all, get added to the paid list, make sure there are enough stickers and cards for each membership, placed into envelopes, addressed and posted applied and taken to the post office, then it's up to the post office to get them to you. Please be patient, it's quite a process.

*Be sure when filling out the registration form, it is filled out completely, is legible, includes your name and address, is signed and the proper fee is paid, check whether or not you would like to receive a newsletter. If applications are not complete, they will be returned to you in the mail.

Newsletter:

*Newsletters are no longer mailed in March, mailing starts with April and last one is September (unless there is enough news for an October edition). Newsletter is always available on the clubs website, facebook, email (contact Jen to sign up), by mail (if needed) and a few extra copies at meetings.

Sponsors:

*If you would like to become a sponsor or know someone who would be interested in becoming one, contact Steve or Leslie. A \$100 sponsorship gets your business card in the newsletter for the season and added to our board of sponsors.

*If you are a sponsor and would like to offer a special or discount to club members, contact Jen with the details.

*All business cards listed will be updated shortly as I have received quite a few new ones

Trail Updates:

Yamaha Trail and Orwell Trail will be worked on to get open this season, currently still closed, watch for updates. If you have signed up to do trail work, please call the trail boss for whatever day of the week you are interested in. It is up to you to contact them. They need all the help they can get.

If there is a trail marked closed and it has ribbon, signs, gates or any other such things, then the trail is closed. **Do Not** go around. It may be closed do to a hazard, issue with a landowner, hunting (if there is at the time) or many other things. We have trails that open and close at different times throughout the riding season. It is not possible to mark these on the maps because they change so much. Check the website, Facebook or call a Trail Boss if you have any questions about a certain trail.

There is lots of work to do!

Work Details & Contact Info.:

Trail Coordinator:	Mike Ortman	315-591-7606	
Trail Boss:	Bobby Eggerling	315-668-6672	Wednesday
Trail Boss:	Mike Beadle	315-486-3002	Tuesday
Trail Boss:	John McGrew	315-387-5415	Wednesday
Trail Boss:	Brian Clark	315-591-5656	Saturday
Boss:	Steve Cronk	315-298-3312	Friday (call ahead)

There will be a whiteboard hung by the fuel tank on the side of the deer barn, this is where trail work will be posted. Check the board to see where work is being done for the day. It will list which trails.

Our trail system welcomes machines 70" wide or less. If your machine is wider than this, you may not fit on our trails/bridges.

Maps are available, \$5 each, pick up at Altmar Union Station and Altmar Hotel
Be sure to always carry a map so you know where you are and reduce your risk of riding somewhere you shouldn't be.

Trails close September 30th, 10pm, no exceptions!

Always carry your membership card with you for the current year, current sticker is on your machine and visible to others as you pass. If you happen to lose membership card or a sticker, contact Becky for a new one.

This section will be updated accordingly

The Oswego County ATV Club would like to extend it's condolences to the family of Michael Benz, an avid sports enthusiast and club member, whose favorite trail to ride was the Orwell Trail. In honor of Michael, the club will be dedicating the Orwell Trail in memory of Michael. Work will be done this season to get this trail open and a date will be set for the dedication. Watch for details.

In Loving Memory

Remember me when flowers
bloom early in the spring
Remember me on sunny days in the
fun that summer brings
Remember me in the fall as you
walk through leaves of gold
And remember me in the wintertime
in the stories that are told
But most of all remember Each day,
right from the start
I will be forever near For
I live within your heart
