End of Season 2019

You Must Be An Oswego Co. ATV Club Member To Ride The Trails! No Exceptions!!

Helmets On!...Lights On!...Ride On!

From the President:

To all members of the Oswego County ATV Club,

There have been a lot of issues lately concerning our trails on our Facebook page, how we run this club, what we do and don't do, who does what, where we spend our money and the list goes on. I don't get on our Facebook page to see/read these things, however I do have Brad who monitors what is going on and doesn't like what he is reading and informs me. Brad has had to delete people's negative, disrespectful comments towards us and other members of this club. This is not going to be tolerated! Save your rants for someone or somewhere else or bring yourself to a meeting and discuss it openly. Don't put your negative, disrespectful comments on our Facebook page. If it continues, you will be removed from the Facebook page and quite possibly from the club.

First and foremost our trails are on PRIVATE land, owned by our landowners, who have access to the trails on their property, as well as any of the other trails. We are given permission to use their property to put our trails on. They do not have to let us put trails on their property and they can take away that right at any time they wish. Use of their land is a privilege not a right. When they go out to ride trails on their property, and see something they don't like, they let us know. They don't like the property to have too many holes, filled with water and mud, torn up, etc., they want it fixed, so we have to fix it. It's THEIR property, not ours, not yours. Joining the club gives you permission to ride on their property, otherwise you shouldn't be on their property, it is considered trespassing. If you don't agree with this, then don't join this club.

The trails are maintained for safety and safety only. We can't please everyone. Some like the rough trails, some like the smooth ones, some like the mud, some don't. There is something for everyone. If you want nothing but mud, water and ruts, you won't find that on these trails. We want everyone to be able to go out and ride, enjoy the land and have a good time, but also know they are safe while doing so. We have always been a safe enjoyable ride for all and will always be a safe enjoyable ride for all. We have all ages in this club, everyone rides differently, everyone likes something different, we are not going to please everyone and aren't going to try.

If you are not pleased with our trails, maintenance, the way the landowners want their property kept, how this club is run, what membership and sponsor money is used for, how fundraisers or events are handled, then come to a meeting, voice your concerns, tell us what exactly the issues are, what we can do different, we can work together to resolve these issues. If not, don't join the club, don't ride the trails that are on private property, don't post to our Facebook page, just don't at all. This will save us all a lot of aggravation.

****It is with a heavy heart that we must announce the passing of member, sponsor, friend, local business owner (NAPA)**

Brian Parker

Brian passed away September 2, 2019 as the result of an unfortunate accident with his dump truck. Brian was always there to help the Oswego County ATV Club as well as the Pulaski Boylston Snowmobile Club, he donated a lot of his time, effort, experience, knowledge, etc to both clubs, always there to lend a hand. He will be greatly missed by many!

In honor of Brian, the Oswego County ATV Club will hold a memorial ride, every year on September 2nd beginning in 2020.

Meeting Highlights & Other News:

*September's meeting was held at Two Guys From Italy. There were 45+ in attendance. We have had a great turn out to all meetings so far this year! A lot of the same faces and a few new ones. Thank you to all those who have attended!! Thank you to Two Guys for the beverages!

*The new part of the trail to Pulaski will be opened for the 2020 riding season. There is still some work that needs to be completed.

*There was a lot of discussion about the club's Facebook page, how people are disrespecting others, making rude comments, being negative towards this club, etc. The club is not going to tolerate it. See from the president above.

*Landowner/Worker dinner was held at the club pavilion this year, we had a good turn out with landowners and workers, however not a lot of others showed up to volunteer or come join everyone just to say thanks. There were landowners who were upset to see all the "usual" workers working and not being able to enjoy a day for themselves. Not a lot of club members showed up to buy a dinner either. We would like to thank everyone of our landowners who showed up, our workers, that worked hard like usual, the few who did come to volunteer and BJ and Squeak who provided some very nice live entertainment.

*And the winner of the 4 wheeler raffle was.....Harry Langdon of Clay! Congratulations Harry and enjoy your new ride!! Mike Ortman once again sold the winning ticket....way to go Mike!

*50/50 Raffle – \$85 won by the President himself....Steve!

*The \$10 fee in lieu of work details is being discontinued. This has become everyone's excuse for not working on the trails, not working events, etc. No more excuses, come work on the trails, come work at events, etc, if not, don't complain because you don't like something. Help make it better. There is a list of trail bosses and their contact numbers below, give them a call, see what they're doing, events are always posted and include contacts.

*2020s Ride for Special Needs will be held June 27th at 9am, we have already had a large number of inquiries for riders, volunteers, sponsors, etc. If you are interested in sponsoring, volunteering or donating, please let Becky know. This one is already looking to be larger than 2019. Let's make it happen again for these individuals and their families!

Memberships:

*You can now register online through the website, payment is through Paypal. Your receipt is proof of payment and can be used as proof of membership until your stickers and cards are received. Do to number of memberships received at a time, please allow time for processing and mailing. This is a large task, primarily handled only by Becky, it takes time to process them all, get added to the paid list, make sure there are enough stickers and cards for each membership, placed into envelopes, addressed and postage applied and taken to the post office, then it's up to the post office to get them to you. Please be patient, it's quite a process.

*Be sure when filling out the registration form, it is filled out completely, is legible, includes your name and address, is signed and the proper fee is paid, check whether or not you would like to receive a newsletter. If applications are not complete, they will be returned to you in the mail.

*If you would like to become a sponsor or know someone who would be interested in becoming one, contact Steve or Leslie. A \$100 sponsorship gets your business card in the newsletter for the season and added to our board of sponsors.
